When he entered, an unknown girl said Hi to him with a smile and he stared at that girl.

Harshitha: "She's my friend. Turn your ass here."

Swasthik: "Ohh! her name?"

Harshitha: "Jennifer."

Swasthik: "Is she single?"

Harshitha: "Disciplined demon, you are."

Swasthik: "Nice compliment, gorgeous gudrun."

Harshitha: "Tell a story."

Swasthik: "Once upon a time in sea."

Harshitha: "Does it annoy me?"

Swasthik: "Ofcourse not. listen: In sea there are 2 fishes out of 1000, they both love each other unknowingly can't leave each other for few seconds."

Harshitha: "Like conjoint twins?"

Swasthik: "More than that. So the remaining 998 fishes are jealous of them & tried to spoil their bond with their greediness. So a cupid watched these all & created a invisible cage for that 2 fishes."

She started sleeping by listening.

Swasthik: "Then nobody can disturb them & nobody knows what happend next.....every.....fish wander...ed."

Both slept on the bus stop.

When it's almost 7.30pm she woke up & went from there. He's still sleeping but he heard an uncleared voice of her tells that

Harshitha: "I had special class mom."

By playing with Swasthik's hair she said

Harshitha: "This is very important for me."

Later he woke up by the people's distant chattering & returned to his home.

Almost at 1am she called him[callertune: teri baaton mei aisa uljha jiya, baite hi baite maine dil de diya] call hanged then she texted

Harshitha: "Nothing, by mistake."

Swasthik: "Hmm."

Harshitha: "We can do it later, tell your opinion on religion conversion. I know you won't like but just tell your opinion."

Swasthik: "Religion is like group dance & atheism is like solo dance."

Harshitha: "Fuck.....I didn't asked about atheism."

Swasthik: "Ok. Everyone has to do same steps with co-ordination in group dance, likewise in religion too."

Harshitha: "You are a genius ass & i wanna convert into christ. Seriously."

Swasthik: "Ok."

Harshitha: "Only ok?"

Swasthik: "I'm not your parent, Ask them."

Harshitha: "They'll accept, not a problem."

Swasthik: "Because of your arrogance."

Harshitha: "You knew that, What will you do?"

Swasthik: "I.....I will come to church with you."

she sent a happy emoji. after 5 seconds both sent at same time

**"Do you really like me?"**

Swasthik: "Yesss."

Harshitha: "Same to you."

Swasthik: "No need."

Harshitha: "Any problem in your first floor? listen when you have proper key to open the door, do it."

Swasthik: "I have the key, but later. It'll become a restriction for us now."

Harshitha: "Not convinced."

Swasthik: "Boys who have fear that their girl may leave them, those ass-holes will do that."

Harshitha: "What if i leave you soon."

Swasthik: "If we love without sex, We can't leave till we die."

Harshitha: "May be you are correct. May be wrong.....i Can't."

Swasthik: "Know the experience from your Kiran."

Harshitha: "He's not mine, Only you. You are mine."

Swasthik: "He's good guy, be with him for a while."

Harshitha: "I didn't know truth about him so said."

Swasthik: "I think you like him too."

Harshitha: "Only you & I. No Kiran, No Jenifer."

Swasthik: "Jeniffer. Jeni.....fer. She looks nice with her specs."

Harshitha: "Yes. I'm possessive now."

Swasthik: "I don't like her."

Harshitha: "Not possessive now."

Swasthik: "I like your change."

Harshitha: "Likewise in your fish story nobody disturbed us when we're sleeping at bus stop."

Swasthik: "But you are disturbing me now."

Harshitha: "I'll do. learn not to sleep whole night."

Swasthik: "We can only love at morning, strangers after evening. Ok?"
